- Your Social Studies Period
- The ancient civilization you have chosen
- Pictures that would attract travelers to your ancient civilization

Society of your Civilization

On this page, you will give a detailed

How was your Civilization Established?

Answer the following:

You may bullet out the important information about how your empire was formed. You must use complete sentences.

You must include:

- When was your civilization established?
- Who were key leaders of your civilization?
- WHY was your civilization established?
- Identify any conflict/difficulty faced by your civilization.
- What was the political organization of your civilization?

ALWAYS INCLUDE PICTURES!

You will need to include captions to explain your pictures as well. For example, this is Hammurabi, King of Babylon, most notable for his codified laws.

Culture of your Civilization

You are trying to show off your civilization, so a great way to do that is highlighting the culture (including “Monumental Architecture” and religion!). You will need to identify at least 3 key pieces of culture of your civilization and highlight the importance.

This section may be bulleted. HOWEVER, the bullets must be FULL SENTENCES that tell your reader why these key pieces of culture are significant for them to visit.

ALWAYS INCLUDE PICTURES!

Again, you will need to include captions to explain your pictures.

description about society in your civilization. Your focus will be on the social hierarchies and interactions between people in your civilization.

You must write a minimum of one paragraph about the society of your civilization. You may want to answer the following questions in your brochure:

- What were the social organizations created in your civilization?
- What were the main roles for each gender?
- Were there slaves? How were they used and where were they from?
- How was wealth or social class determined?

ALWAYS INCLUDE PICTURES TOO!
